

Katherine Webster is Founder of [VetsinTech](#) and [TechCentralSF](#).

[VetsinTech](#), ViT is committed to bringing together a tech-specific network, resources, and programs for our veterans interested in Education, Entrepreneurship, and Employment.

In November 2010, Katherine founded [TechCentralSF](#) – [TechCentralSF](#) San Francisco's exclusive online directory resource and collaborative community for High Tech, Biotech, and Cleantech with over 1,000 start-up companies and established innovators making breakthroughs across San Francisco. (www.techcentralsf.com)

Katherine was awarded a "Certificate of Honor" by Mayor Gavin Newsom for "recognizing the pressing need to convene cutting-edge firms in the technology sectors - high tech, biotech, and cleantech

Prior to founding Storytelling Media, LLC and [TechCentralSF](#), Katherine was at Sun Microsystems for 16 years where she created 3 new businesses - starting in Education and Research.

She developed both Administrative Computing and Digital Libraries and Internet segments which resulted in 2 billion dollar businesses. She also created the network of SUNSITE (Sun Software Information Technology Exchange) community websites in 25 countries worldwide.

Katherine wrote the business plan and strategy and created the very first Internet and Ecommerce Market Development group at Sun, lead a large team to manage all top tier startups and Venture Capital relations.

Katherine is an active member of her community serving as the President of the South Beach/Mission Bay Business

Association, and is Vice President of the South Beach/Rincon/
Mission Bay neighborhood association and founder of the NERT
(Neighborhood Emergency Response Team) in South Beach.
